CLOSED SESSION – EXAMINATION WORKSHOP

The board approved the April, 2005 Candidate Information Handbook.

The nine (9) candidates from Bates Technical College and the two (2) candidates from George Brown were approved to sit for the April 2005 examination.

Following a review of all the examination questions, the Board of Denturist delegated to Vicki Brown, Program Manager, the authority to choose or pick the questions for the written/computerized examination.

Upon receipt of the two (2) books on partials, add all of the questions from partials to the question bank.

For exam portion K (geriatrics), try to locate the reference books used by the Oregon Board of Denture Technology.
